

## **Social Media Comments Policy**

The goal of Montessori Academy of London's (MA) social media accounts is to provide an upbeat, positive online presence to help us: connect with our online friends and followers; promote the value of Montessori education; highlight the achievements of our staff, students and families (past and present); and share news and positive stories we see in the world of child development and education.

We ask our social media followers to adhere to the general rules of respectful civil discourse when commenting on posts.

While we encourage free speech and debate, the school reserves the right to remove any abusive comments, harassment, and posts we deem to be in conflict with our social media objectives and core values.

If you have questions and concerns about the school, our policies, or our governance and operations, we encourage you to reach out to Montessori Academy's school leadership via email ([reception@montessori.on.ca](mailto:reception@montessori.on.ca)) or by calling 519-433-9121.

Inquiries about admissions should be sent to [info@montessori.on.ca](mailto:info@montessori.on.ca).

Thank you for making our online school community a safe and positive place to connect with one another.
