# Give the Gift of Learning

"We give the child nourishing food so that his little body may grow, and in just the same way we must provide him with suitable nourishment for his mental and moral growth."

Dr. Maria Montessori

Dear Friend,

Montessori Academy of London is committed to our beautiful, intentional learning spaces - each location is designed to inspire and enrich your child's Montessori journey. Our unique learning environments are instrumental in helping us fulfill our mission to cultivate experiences that inspire compassion and a love of learning.

Over the years, we have proudly renovated several kitchens across our locations, converting them into renewed modern spaces – for learning as well as preparing lunches and snacks for students. With our donors help, we've transformed them into places where children not only explore and develop practical life skills but are also nourished daily by thoughtfully prepared snacks and meals – essential to their growth, focus and energy throughout the school day.

Our Oxford Casa, Elementary and Junior High locations have all experienced major transformations to their kitchens these last few years thanks to the ongoing generosity of our school community.

**This year we are asking for your help to bring that same magic to the kitchen at our Toddler and Casa programs at 718 Waterloo St.** The renovation will allow us to continue preparing meals and snacks that support our youngest learners in a warm, functional and safe environment.

**It's time for us to come together as a community once again** to support a much-needed kitchen renovation at our 718 Waterloo St. location. With your help, we will continue creating and maintaining environments for children to thrive, explore their senses and develop confidence through hands-on experience.

**Any donation, no matter the size, will bring us closer to our goal.**

Please consider supporting this meaningful project, which will be a lasting investment in our Toddler and Casa program for generations to come.

To donate, visit [montessori.on.ca/donate](http://montessori.on.ca/donate) or fill out and return the donation form below.

Thank you for your continued support and for helping us to create a modern, clean kitchen to nourish our youngest students.

Sincerely,

Tina Brown
