Code of Ethics

At Montessori Academy of London we strive to create a community of compassion and respect, for ourselves, for others and for our physical world. To guide students in their actions and interactions, we have established this Code of Ethics (“Code”). We ask that all students and their parents/guardians read this Code and discuss it within the family, in a manner appropriate for the age of your child(ren). By returning it to us with your signatures, you indicate your commitment to be bound by the terms and principles contained in this document. At Montessori Academy of London we are continually working to ensure that we provide the best possible place to learn and succeed. This Code embodies our belief in the importance of a safe and caring environment for all members of our school community.

Your Obligations as a Student

As a student in our Montessori community, you therefore have a responsibility to:

Make the School a Safe Place

Students must not threaten, hurt, intimidate, tease or exclude others. By refraining from all forms of rough play, including fighting, kicking, biting or hitting, you will avoid being in a position to cause harm, whether accidental or intentional.

Respect Personal Property

Students must show proper care for their property, school property and the property of others. Stealing, damaging, misusing or destroying property is strictly forbidden. You are expected to care for and share in the maintenance of the school, classroom and natural environment.

Use Kind Words

Do not tease, threaten or intentionally hurt others' feelings. Swearing, name calling, and put downs are not acceptable. Try not to exclude others from games or activities. Remember to say 'please', 'thank you' and 'excuse me', and take measures to help those in need.

Co-operate with Teachers, Yard Supervisors and Fellow Students

Be polite, courteous and respectful at all times, even when you disagree with someone else. Treat others honestly and fairly, and behave in a way that does not distract or disturb your fellow students. Respect all members of the school community, especially persons in positions of authority.

Demonstrate Respectful Classroom Behaviour

We come together to learn in a fun, peaceful, and quiet environment. Be responsible, and allow others to concentrate. Choose your work from the shelf, not from another student. Use appropriate and respectful language, and non-aggressive and non-violent means to resolve conflict. Respect differences, including race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status and disability.

Come Prepared

Students are expected to come to school each day, prepared to learn and on time for all classes and events scheduled within the school day. It is a student's responsibility to make up any missed time and/or lessons.

Avoid Distractions

Absolutely no electronic communication devices (mobile phones, mp3 players/iPods, laptops/tablets, fitness trackers/smart watches or other wearable devices capable of recording audio/video, and sending and receiving notifications) are to be used by students during the school day. Any devices brought to school are stored securely during class time by the teachers. Exceptions will be made for students requiring these devices to help manage health issues. On school field trips, Staff will carry mobile phones in case of emergencies. Students are not allowed to take electronic communication devices on field trips or school outings, including extended overnight field trips at the Upper Elementary or Junior High level.

Demonstrate Leadership

Students may not be in possession of, or under the influence of, or provide others with, alcohol, tobacco, cannabis, vapes or illegal drugs.

Adhere to our Harassment Policy

Parents and students are expected to review, understand, and abide by the Harassment Policy. Our 'Harassment Policy' is attached as Appendix A and forms part of this Code.

Demonstrate Good Digital Citizenship

Students will be expected to adhere to this policy and be respectful digital citizens. Our 'Computer Security and Use Policy' is attached as Appendix B and forms part of this Code.

Value Privacy

Students are expected to respect the personal, informational and physical privacy of others.

Ensure a Healthy Environment for All

Students are prohibited from smoking or vaping on school property and within 20 metres from any point of school property. This includes the smoking or holding of lighted tobacco or cannabis, and includes a ban on the use of e-cigarettes and electronic smoking devices. This code of conduct is in effect 24 hours-a-day, 7 days-a-week, and on school buses, or during any part of an official school field trip, including athletic team trips and school club excursions.

Obligations of Parents and Guardians

Parents and guardians play a critically important role in the success of students and in promoting a positive school environment. It is therefore incumbent on parents and guardians to join staff in supporting students in their adherence to the Code, and to model the behaviour required of students. Our Montessori community must be a safe and welcoming place to learn and to work, if we are to maintain the culture which makes our school unique.

Obligations of the School

The Montessori Academy of London encourages any student who believes that they have been treated in a manner which is inconsistent with the Code to report their concern to their teacher or any trusted adult at the school.

A staff member who receives notice of a Code infraction shall, taking into consideration the age of the students, the nature of the alleged conduct, and any other relevant circumstances, first determine whether an informal resolution process may be appropriate.

An informal resolution process will include speaking with the student who has identified the inappropriate conduct, and the student who was alleged to have behaved in a manner contrary to the Code, and may involve discussing the matter with any other students who were participants or witnesses, and with parents/guardians.

Where school staff assess that the alleged conduct could represent a serious or repeated breach of the Code, including in all cases where student safety or well-being is at issue, the staff member receiving a report from a student shall immediately notify a member of the administrative team, who shall consider the need for a formal investigation, and where the alleged conduct is confirmed, determine the appropriate consequences.

Information shared by a student will be treated confidentially, to the extent that doing so does not interfere with responding appropriately to the concerns identified.

Consequences of Breaching the Code of Ethics

Both students and parents/guardians acknowledge by signing this Code they may be held accountable for their words, their behaviour, and their actions, and that their continued participation at the Montessori Academy of London is conditional upon their continued observance of the Code, while on school property, at school-authorized events and activities, and in other circumstances that could have an impact on school climate.

The school may, at its discretion, take appropriate disciplinary action against students who violate the Code. In choosing our response to an infraction, every effort will be made to reinforce

Montessori

a sense of responsibility and accountability. Our choice of response to a breach of the Code may include:

- time away from peers to support self-regulation
- a request for a verbal or written apology;
- issuing a 'Communication Report';
- a request for a parent conference;
- a limitation of school privileges;
- other reasonable sanctions, appropriate to the circumstances

In rare circumstances, where these consequences have not proven effective in ensuring adherence to the Code and respect for the learning environment of other members of the school community, the school may at its discretion suspend a student, or permanently dismiss them from the school.

If a parent or guardian breaches the Code, the school may at its discretion impose any measure it considers necessary to maintain an appropriate learning and working environment, including if necessary denying re-enrolment, or dismissal of the parent/guardian's child or children from the school.

Computer Use and Social Media Policy

Some of our students' projects include the use of the Internet, which connects them to millions of online sources and other internet users. With that connection also comes access to material that is not consistent with our education goals. As we are not able to actively monitor every student's Internet use, we must rely on teaching student awareness and good online judgment, parental support of that teaching, and what limited supervision we can provide.

Students are expected to use the school's Internet access for the sole purpose of completing their school assignments. They are to conduct themselves with the same courtesy online as they do in person, in accordance with the school's Code of Ethics.

School computers are expensive and valuable components of the equipment we rely on to provide educational opportunities, and any damage to them will be the financial responsibility of the student who caused the damage.

Unacceptable use of school computers includes, but is not limited to:

1. Activities which may damage equipment.
2. Downloading, copying or transmitting any materials which are in violation of any Federal or Provincial regulations such as copyrighted materials, threatening or obscene materials, hateful, racist or discriminatory materials.
3. Unauthorized access to personal e-mail.
4. Unauthorized access or entry to the school's network system.
5. Unauthorized entry or attempt to gain access to view, alter, copy, share or destroy files.
6. The creation and or wilful transmission of computer viruses or virus hoaxes.
7. Visitation to any Internet sites deemed NOT of educational value.

Inappropriate use by your child could result in denial of computer privileges, financial reimbursement, and/or legal action.

Social Media

Social media (such as Snapchat, Facebook, Instagram, Twitter, Tiktok, YouTube, blogs, etc.) can bridge both school and personal life of students and thus, some crossover and conflict of

Montessori

ACADEMY OF LONDON

responsibilities may occur. The School's interest is in the protection of our employees, students, families, and the public image of Montessori Academy of London. In essence, students interacting online with other students, parents, and alumni is no different than interacting with these individuals or groups face-to-face; therefore we expect everyone to maintain the principles of respect, dignity and prudence, and uphold concern for the safety and protection of children in all interactions.

If an interaction that occurs on social media impacts our school community, the School will follow the Code of Ethics parameters and guidelines to investigate the situation, and the potential outcomes/consequences as a result of the investigation. As such, violation of this policy is considered a breach of the Code of Ethics and may lead to suspension and/or expulsion from the School.
