

PORTRAIT OF A GRADUATE

Montessori Academy of London's Vision is
"a global community where everyone belongs."

MA graduates are the change makers and lifelong learners who will continue work toward this vision throughout their lifetimes.

SELF-AWARE & MOTIVATED

- Allow curiosity and their love of learning to guide them throughout their lives.
- Think analytically and question ideas with purpose.
- Adapt easily and embrace new challenges.
- Confidently blaze their own trail.

ENGAGED & COMMUNITY-MINDED

- Serve their community with compassion and creativity.
- Engage with their peers with kindness, empathy and enthusiasm.
- Recognize their role in creating a better future.
- Appreciate their community and stay connected to their peers, teachers and school.

INNOVATIVE & COLLABORATIVE

- Defy mediocrity and strive for excellence.
- Combine ingenuity with innovation to create meaningful solutions.
- Understand the power of perseverance and partnership.
- Value collaboration over competition.
